

***Little Chalfont Village Day - Saturday 16 June 2018
Children's Art Competition - Reception to Year 6***

All children in the village are invited to enter the Village Day Children's Art Competition. It is 100 years since some women were first given the vote in this country, and women have featured throughout our history, so this year's theme is:

'Women in History'

To enter, you need to create an image you think best represents the theme. The competition is open to children from Reception through to Year Six. Your entries will be displayed in the Community Library on Village Day, with the public invited to cast their votes (<http://www.littlechalfontlibrary.org.uk>).

We look forward to seeing all your entries! Please remember to fill in your details below and include it with your entry.

Name:

School:

Year:

Please bring your entry to school by 9:00am on Friday 8th June.
