

Family Cycle Ride

Fancy having a go at riding in a group? Cycling UK is holding a family ride leaving Westwood Park at 11.30 am.

The event will be run under Cycling UK guidelines, and will involve a short ride around the village returning to Westwood Park.

The ride will be led by a trained lead cyclist.

Please bring your own bike to the park in time to register – there is limited space for the event, which will involve a maximum of 10 riders so it will be first come, first served!
